N O T E

In my last note of ~~January 1922 I have~~ explained what all had to be done in the Special Duty work, and I also submitted that, if it was the pleasure of the Government that I should give it a satisfactory completion, I would do so under the instructions of the Comptroller, if a senior accountant of his office be associated with me, the Comptroller having expressed his readiness to give me every help required and further recommended the extension of the term of the Special Duty till end of March, adding that he would be able to fix the term more definitely by the middle of March as the work progressed; I proceeded with the further work on the lines explained in the Note in the full hope of being given the help, I needed from the Comptroller. But such help has not been extended to me yet. Yesterday I submitted to the Comptroller how the work now stood and what help I required to complete it. He said that he was ever ready to give me all help, but that he could not conveniently spare an Accountant of the Superintendent's status exclusively for this work without orders of the Government—which orders have not come though expected on his last unofficial note.

2/ I have now completed the check of the accounts of Sivaganga Natt from 1st July 1900 up to which date they had been last audited. I have checked the credits with reference to the actual collections of Natt funds on the Revenue Jamabandy of the several Inam villages and other receipts of the Institution - which constituted the claim of the Natt, and on the debit side,

the accounts have been verified with reference to the sanctioned charges of the Matt. This check has disclosed several errors of credits and debits, many items of Matt receipts amounting to some thousands have gone to the credit of Land Revenue, Minor Temples and other Muzrai Institutions, and per contra some funds of other Institutions have been erroneously credited to the Matt. Such errors figure on the debit side also. I am drawing up my final report of the audit and shall submit the same with complete explanatory statements.

3 In regard to the funds of the Sri Vyasaraya Matt, the statements of Treasury credits and payments made have been compiled. They have to be verified and reconciled with the Ledgers of the Comptroller's office in which, the accounts - particularly of debits-stand distributed among major and minor Muzrai Institutions proper and ~~the Matt agency.~~ Matt Agency Lastly in regard to the Institutionwar distribution of the balance of Muzrai funds, I have, as a preliminary step, worked out the accounts of the Institutions under the temporal management of the Muzrai Department so far as is absolutely necessary to fix correctly the balance of Muzrai Institutions proper. An examination of the accounts of Palace Muzrai Institutions is also necessary to some extent, but in the absence of special instructions, I have not ventured to take up these accounts; these were last examined by me in 1898 (Vide C.O.No. 1096-7, dated 6 April 94; Muz 757-93

4 One essential work was to fill up the gap of 5 years from 1900-1 to 1904-5 for which Ledgers were not available in the Comptroller's [illegible]

there were no accounts whatever, capable of being ~~worked~~ linked with the Institutionwar balances, worked out up to end of June 1900 and accepted by the Government in their order of 19th March 1904. Luckily I found some data in District totals ~~monthkx~~ month by month in the general classified abstract and lists of payments which are still preserved in the Records of the Comptroller's office. From these abstracts I collected the District totals and distributed the debit totals Talukwar on the lists of payments; and the Talukwar figures have been distributed by details of Institutions ~~on the Taluk accounts~~. This work has been completed in respect of 60 Taluks. The remaining 6 Taluks are now under work and they will be completed too in 4 or 5 days.

5 On the credit side, the detailed Treasury statements of 4 Districts - Bangalore, Tumkur, Chitaldrug and Hassan have been found in the Comptroller's Records. The statements are under compilation. For the other four Districts of Kolar, Kadur, Shimoga and Mysore, such detailed statements are wanting; the classified abstracts give only District Totals. These totals have to be distributed by Taluks on the District Treasury Ledgers and Institutionwar details worked on Taluk accounts. This work has also been partially completed. I expect to complete the credit statements too in about 10 days.

6 This work has on the whole proved very taxing, as in several Taluks, even the bills and the Barawards are not to be had and the figures had to be collated from all sorts of subsidiary

resources of Taluk Records and accounts.

~~For~~ A week hence, I should be able to take up the work of finally tabulating the statements ~~Compiled~~ compiled and fix the balance of each individual Institution with reference to the Opening Balance of 1900-1 as accepted in Govt. Order dated 19th March 1904, the credits of the part 20 years, and the debits of the period — As an auxilliary to this work, a few discrepancies between the statements compiled on the Taluk Records and bills and the books of the Comptroller's office - mostly due to Transfer entries in the Comptroller's books and some to errors of classification and ~~and~~ audit — will have to be cleared after an examination of the Ledgers and other books of the Comptroller. This will at the same time clear the errors or rather puzzling differences now noticed in the figures of opening balances adopted by the Comptroller in 1907-8 and thereby ~~pave~~ pave the way for the determination of the exact balance of Muzrai funds and Institution-war details therefor. This work of clearing up the differences has necessarily to be done entirely on the Books of the Comptroller and by an experienced official familiar with the Books and this is just the time to take steps

If now the Government be pleased to authorise the Comptroller to give me the help of an Accountant of the status or experience of a Section Superintendent, I shall exert my best and taking instruct from the Comptroller on points of doubts and difficulties complete the whole work by end of April; ~~at any rate,~~ At any rate I should be able to close ~~clear~~ up the work to such a stage that any small work yet

remaining might be attended to by the Accountant himself, ~~my~~ Special Duty being finally determine at the end of April. 1922.

I have given Mr. Srikyunjaya Iyer all the help that I could. One of the office clerks has been entirely detailed for duty under him and two other who have been doing Huzuri work in this office for very long time and a Superintendent of my office is also rendering him all possible assistance. I find it difficult to spare a responsible clerk or another Accountant in addition out of the sanctioned cadre of my office. I would therefore suggest that Mr. Iyer's special duty may be extended upto 1st May 1922 firstly to enable him to complete the unfinished items of work he has on hand and that he be requested to make over a final clear report of work done and to be done to Government before the expiry of the current month and also a detailed statement to me of the Correspondence etc., he has discovered, so far which have to be rectified in the books of this office. I shall arrange them further action being taken in this office.

This has to go up to H.H. for sanction. In view of what the Complainer has said the period may be extended to 1st May 1922. The Dist. Secy has not offered any remarks which I presume means acceptance of the Complainer's recommendation. It is unfortunate that this shd have dragged along as it has done. But it was not till the work was back in hand, that the exact situation was known. It was worse than it was ever expected. Hence the necessity for the Extension prayed.

Fair Final Note signed by the First Member of Council is submitted herewith.

Subordinate Staff (Dewan) No. 1/5

Final Note by the First Member of Council.

Subject:—

Further extension of the term of the special duty of Mr. Mrityunjaya Iyer in the Muzrai Department, till the end of April 1922.

With His Highness' approval, the term of the special duty of Mr. Mrityunjaya Iyer in connection with the determination of the balances at the credit of the several Muzrai institutions in the State up to the end of November 1921, was extended till the end of March 1922.

2. Kind perusal is invited of Mr. Mrityunjaya Iyer's Note dated 20th March 1922 explaining what all he had done in the course of his special duty and what yet remains to be done. Mr. Mrityunjaya Iyer represents that he has not received from the Accounts Department all the help needed to bring the special work to completion within the stipulated time.

3. The Comptroller, who was consulted unofficially, states that he has given Mr. Mrityunjaya Iyer all the help that he could and suggests that Mr. Mrityunjaya Iyer's special duty may be extended up to 1st May 1922 finally to enable him to complete the unfinished items of work he has on hand. The Comptroller adds further that, after Mr. Mrityunjaya Iyer has sent up to Government his final report of work done and to be done, as also a detailed statement to him of the discrepancies etc., discovered so far, which have to be rectified in the Comptroller's books, he will arrange for further action being taken in his office.

4. In view of what the Comptroller has said, the period may be extended to 1st May 1922. The Financial Secretary has not offered any remarks which, I presume, means acceptance of the Comptroller's recommendation. It is unfortunate that this work should have dragged along as it has done. But it was not till the work was well in

in hand that the exact situation was known. It was worse than it was never expected. It is this circumstance that explains the necessity for the extension already granted.

5. The Dewan and the other Members of Council are agreeable to the extension of time recommended by the Comptroller, though the Dewan thinks that the progress of work cannot be considered satisfactory.

6. I solicit His Highness' sanction to further extend Mr. Mrityunjaya Iyer's term of special duty finally till the end of April 1922.

29th April 1922.

MEMBER OF COUNCIL.

Submitted to His Highness.

I submit herewith a Final Note by the First *Member of Council on the subject of* further extension of the term of the special duty of Mr. Mrityunjaya Iyer in the Muzrai Department, till the end of April 1922, *for His Highness' gracious approval.*
